## TERMS OF ACCEPTANCE

### Agreement to Financial Policy

I have agreed to pay charges at the time of service. I understand that I may pay by check, cash, or credit card. I understand Emergency and after hour visits will be subject to additional charges. I agree to be charged a missed appointment fee of \$30 if I miss an appointment without giving at least 24 hours advanced notice. I understand that as the parent or guardian, I am responsible for full payment of child's care. I further understand that for unaccompanied minors, payment in full is still required at time of service. If I have insurance coverage I hereby assign directly to Integrated Spinal Solutions, PC all medical benefits, if any, payable to me if any services rendered. I also understand that there is a 1.5% monthly interest charge on any unpaid balance over one (1) month old. It is at the discretion of the doctor to collect or waive said fee and will depend upon the payment history of the account. By signing below, I agree that should my account be referred to a collection agency or an attorney for collections, I will be directly responsible for paying all reasonable attorney's fees, other legal fees and/or any and all collection expenses.

### Patient Accepts Responsibility for Insurance Reimbursements and Approvals

I accept responsibility to know my policy limits and requirements. I further accept responsibility to seek pre-authorization, bill and collect reimbursement from my insurance carrier if applicable. I understand that my insurance policy is a contract between the insurance carrier and myself. I further understand that Integrated Spinal Solutions, pc is in no way a guarantee of coverage or reimbursement from my insurance carrier. I further understand that my health insurance will be billed as a courtesy but that I am ultimately responsible for payment. I understand that some of perhaps all of the services that I receive may not be considered reasonable and necessary under the Medicare program and/or other insurance plans. I understand that insurance claims that are over 90 days old and unpaid, will become my responsibility. By my presence and continuation of appointments, I consent and elect care provided by Dr. Xavier Martinez and/or his staff.

### Patient Will Truthfully and Fully Disclose Health Status and History

I hereby state that all information that I hereby give Integrated Spinal Solutions, pc and/or it's staff will be complete and truthful. I will not misrepresent my presence, nature, severity or cause of my injuries. I further state that I will fully disclose my health history and authorize the release of all past medical records to Integrated Spinal Solutions, pc. I present myself for health reasons only and it is not my intent to mislead, defraud or coerce this office or any third party or misrepresent myself in any manner.

### Patient Consents to Care and Accepts Responsibility

I consent to recommendations and care by the Doctor(s) of Integrated Spinal Solutions, pc for myself (or my children if minors) including, but not limited to examinations, x-rays, chiropractic adjustments, rehabilitative and physical therapy. I understand that my care will be individualized to me and therefore may not be comparable to standards or guidelines used or required by insurance companies, professional associates, and/or consensus groups. I understand that my treatment will comply with the inherent risks. These risks, though rare, could occur ranging from minor aggravation of current condition to serious conditions such as cerebral vascular accident or death. I am signing this consent after having been fully informed to my satisfaction by the Doctor(s) of Integrated Spinal Solutions, pc and/or his staff of the risks and benefits of the care and the risks and benefits of not having the recommended treatment. I have been informed and fully understand that there are no guarantees of treatment success. By my presence and continuation of appointments, I consent and elect to care provided by Doctor(s) of Integrated Spinal Solutions, pc and/or his staff.

### Medicare Limits and Responsibilities Advance Notice

**The only charge for Chiropractic that is covered by Medicare is manual manipulation of the spine.** I accept responsibility to know the current Medicare guidelines and limits for covered services. I accept responsibility to pay for all covered non-covered or denied services. I have been notified by my physician that he believes that in my case Medicare is likely to deny payment for some services. If Medicare denies payment, I agree to be personally and fully responsible for payment. I understand that I must pay for services at the time of treatment. I also understand that Integrated Spinal Solutions, pc will bill all charges directly to Medicare as required by law. I authorize the release of my records as necessary for Medicare Billing.
